

Subject: Letter of recommendation

To Whom It May Concern,

I am writing this letter to support Ms Isidora Doric's application for university studies.

I have known Ms Doric for more than five years now and I have witnessed her talent and specific gift for art. Isidora is young and passionate student who loves visual art and design. Her creativity has been confirmed since she was in primary school. Isidora had an exhibition during her Year 9 and Year 10 when she was enrolled in the Newtown High School of the Performing Art in Sydney and her works were presented in an Art Gallery in Newtown. Isidora loves drawing, painting, photography, and graphic design. She has an excellent use of forms, colours, and materials to represent her environment and present herself to the audience.

Isidora was selected by the University of Wollongong for a Master Class in Visual Art that she successfully completed in January 2023. She presented her work at the University of Wollongong Master Class final exhibition.

Isidora is very interested in art studies, and I believe she will contribute to your University and department with her innovative and creative ideas and concepts of work.

I would like to wholeheartedly support and recommend Isidora for your University and the course she would like to study.

If you have any further questions related to Isidora please do not hesitate to contact me.

Sincerely,

Professor Ioannis Michaloudis
