

Subject: Letter of recommendation

To Whom It May Concern,

I am confirming that Miss Isidora Doric is being a team member of the SCALA project. This art project will be submitted as part of the Larnaca Biennale Festival in October 2023. While being a part of the project, Miss Isidora Doric is taking the same responsibility and has the same creative opportunity to show her thinking as the other university students.

We are very glad that she is a part of the team since she is helping with collecting the archival photos and communicates towards broadening and achieving a more engaging art installation.

Sincerely,

A handwritten signature in blue ink, appearing to be 'Ioannis Machaloudis'.
